## STUDENT AND SCHOOL POLICIES

### Attendance

1. Every student is required to be present each day unless hindered by personal illness, death in the family, or excused through the office. **For an absence to be excused, state law requires that a written excuse be submitted by the parents within three days.**

The **Early Warning Truancy Program** is implemented by the Phenix City School System, in cooperation with the Russell County District Attorney's Office and the Russell County Juvenile Court. **NOTE: a detailed explanation will be given in the registration packet with the Student Code of Conduct.**

### ***Circumstances causing a referral to Early Warning are:***

1. Ten (10) absences, whether excused or not.
2. Excessive tardies or check-outs
2. The school day for children is 8:00 A.M. - 3:00 P.M. If a student is required to stay after school, parents shall be notified at least a day in advance. This notification is not to obtain permission, but to allow time for parents to make arrangements for getting the child home at the later time.
3. Three consecutive days of absence or excessive absences or tardies will necessitate an inquiry to the parents from the office or the system attendance officer.

4. Once at school the student is expected to remain the entire day except in extreme emergencies. Medical appointments should be scheduled after school hours and on Saturdays when possible.
5. Students must be in attendance for a majority of the school day to be counted present. **Students checked in after 11:30 a.m. or checked out before 11:30 p.m. will be counted absent.**
6. After an absence, a pupil must present to the homeroom teacher a written statement signed by the parent or guardian giving the reason for the absence in order for the absence to be excused. In compliance with local and state Board policy, all absences are unexcused or illegal except:
  - a. personal illness
  - b. inclement weather dangerous to life or health of the student
  - c. death in the immediate family
  - d. legal quarantine
  - e. special permission granted by the principal

***NOTE: Vacations and out-of-town trips are unexcused absences unless specifically approved in advance by the principal.***

### **Tardy Procedures**

All children are expected to be on time for school every day. Occasionally, circumstances may occur which cause tardiness (oversleeping, car trouble, etc.). These circumstances, however, are unexcused and should be the exception, not the rule.

All tardies are considered unexcused with the exception of student appointments with doctors and legal agencies. **In these cases, a statement from the doctor or legal agency must be secured to excuse the tardiness.** Excessive tardiness will be managed appropriately and as determined by the principal and the school system Attendance Officer as described above.

**Please note that perfect attendance awards will only be given to students who have perfect attendance—no absences and no unexcused tardies. Remember, tardiness is only excused when the school is presented a statement from the doctor or legal agency showing the appointment date and time.**

### **Check-out Procedures**

All children are expected to be at school every day and remain in school all day. Occasionally, circumstances occur in which a child needs to leave school early. These circumstances, however, should be the exception, not the rule.

As parents, you have the right to check your child out of school when necessary. As school officials, we have the obligation and authority to keep your child in school when necessary. Bearing this in mind, your rights will not be questioned unless check-outs become excessive. You may be required, at that time, to provide a doctor's excuse for each subsequent occurrence.

**Children may not be checked out after 2:15 P.M.**

**Your child will be released only to the names that were listed on the registration form.**

### **Student Behavior and Discipline**

While at Lakewood Elementary school and being transported by bus, students are expected to behave in an appropriate manner and to exercise self-control. Please refer to the Phenix City Public Schools' Code of Conduct in the registration packet concerning student behavior and discipline.

### **Bus Policies**

Students who misbehave while riding the bus will be issued a Bus Conduct Report by the driver. Repeated misconduct will result in temporary suspension from riding the bus, while serious incidents could result in immediate bus suspension. Excessive referrals will result in permanent suspension from riding the bus.

Students who vandalize or damage buses will be charged for repairs. Student will not be permitted to ride the bus until all damages are paid in full.

The Alabama State Legislature recently passed the Charles "Chick" Poland, Jr. Act. Under this law, person will be prosecuted for first degree criminal trespassing for any of the following actions:

- Unlawfully entering a public school bus
- Refusing to depart the school bus after the bus driver or other school official directs occupant to do so
- Intentionally stopping, impeding, delaying, or detaining any school bus
- Intentionally destroying, defacing, burning or damaging any public school bus

### **Morning Procedures**

School Hours are 8:00 A.M. until 3:00 P.M. **For safety reasons, students should not arrive at school before 7:20 A.M.; no staff members are available for supervision and the building will not be open.**

Car riders may be dropped off at either the office portico or the library portico. Students arriving prior to 7:45 or any students eating breakfast will go to the cafeteria. Students who arrive at or after 7:45 will go directly to their classrooms. Students arriving after 8:00 must go by the office for a tardy pass.

**All kindergarten, 1<sup>st</sup> grade, and 2<sup>nd</sup> grade car riders should be dropped off at Lakewood Primary.**

Buses and vans will unload at the breezeway at the rear of the school.

### **Afternoon Procedures**

**Note: Adjustments to procedures may be necessary once school begins, but parents will be notified of any changes.**

**Students will be dismissed at 3:00.** Parents picking up their children must remain in their cars in line; because of safety concerns, no one will be allowed to park and walk across to pick up their children. The driver must have the blue (office side) or yellow (media center side) identification card displayed on the car dashboard during the entire pick-up procedure. If you do not have an identification card on display, please be prepared to show your driver's license and wait while a worker can verify that you are allowed to pick up a particular student. This may result in a wait of a few minutes and will be necessary each day the identification card is missing.

Bus and van riders will be called to the rear breezeway to board the bus or van.

**After the buses are loaded, students will be dismissed to car rider pick up zones for loading.**

**Kindergarten, 1<sup>st</sup> grade, and 2<sup>nd</sup> grade car riders with siblings at Lakewood Elementary will be brought by bus from Lakewood Primary to be picked up here.**

These kindergarten, 1<sup>st</sup> grade, and 2<sup>nd</sup> grade students, and any siblings or car-poolers of these students will be picked up at the **library portico**. 5<sup>th</sup> grade student car riders will also be picked up at the library portico.

3<sup>rd</sup> and 4<sup>th</sup> grade students will be picked up at the office portico. Please be aware of where your children will be, and be sure that you are in the correct traffic line.

**Students who are not picked up by 3:30 will be placed in the after-school program and will incur an \$8.00 daily charge.**

### **Transportation Changes**

**SEND A NOTE** if your child's transportation changes. Calling at the last minute often creates hardships. **No changes can be allowed without notification from the parent.**

### **Suspension Policy**

When a student misses school due to suspension from school, all missed school work may be made up by the student and will be offered by the teacher. The time allowed to return work is decided by the teacher. All work returned will be graded in a manner consistent with the same work given to all other students in the class. A zero is given for work not completed within the time allowed.

### **Dress**

A student's school clothes will consist of clothing that is neat, clean and appropriate for school. (Appropriate refers to clothing that covers the body sufficiently enough not to cause undue attention of school officials and/or other students). Clothing must not be exaggerated to the point that it distracts from the educational endeavors of the school. In general, students are expected to abide by the following guidelines:

- \* Clothing shall be appropriate and decent.
- \* Clothing will be worn as it was intended.
- \* Clothing deemed mutilated or vulgar in style or design is prohibited.
- \* Many clothing articles (short shorts, halters, midriiffs, see-through tops, shoes with cleats or other sportswear) considered appropriate at home or on sports outings are not appropriate for school wear.
- \* Caps, hats, sunglasses shall not be worn inside the building.

The principal will make the final judgment about the appropriateness of student clothing. In cases where students wear inappropriate clothing to school, the principal has the authority and responsibility to withhold the student from class until acceptable clothing standards are met.

### **Digital Devices**

The possession of a digital device (including but not limited to cell phones, MP3 players, cameras, or other telecommunication devices capable of capturing or relaying information) is strictly prohibited during the administration of a secure test. If a student is observed in possession of a digital device during the administration of a

secure test then the device will be confiscated. If a student is observed using a digital device during the administration of a secure test, testing for the student will cease, the device will be confiscated and is subject to search, the student will be dismissed from testing, and the student's test will be invalidated.

Students are not to use any digital devices before school or after school during dismissal. Students are discouraged from bringing cell phones to school and are not allowed to have cell phones out of their bookbags during the school day. Any cell phone in a bookbag must be turned off so as not to distract the instructional day.

### **Administering Medicine to Students**

The Board of Education recommends that medication shall be administered by the parent or guardian at home. However, if under exceptional circumstances a child is required to take oral medication during school hours and the parent cannot be at school to administer the medication, board policy requires that only the school nurse or a trained designee shall administer the medication, **including non-prescription over-the-counter medicines, in compliance with the following procedures:**

1. Written instructions **signed by the parent or guardian and physician** shall be required and shall include:

- Name of student
- Name of medication, including prescription number
- Purpose of medication
- Time to be administered
- Dosage
- Possible side effects
- Termination date for administering the medication

2. The school nurse or trained designee shall:

- Inform appropriate school personnel of the medication
- Keep a record of the administration of the medication
- Keep medication in a locked cabinet
- Return unused medication to parents/guardians only

## **Physical Education**

Physical Education is part of the school curriculum. All children are required by state board policy to participate unless some physical disability prohibits it. If there are reasons a child cannot participate, the school should be notified in writing, stating the nature of the disability and the number of days to be in effect. **If a child cannot participate two or more consecutive days, a doctor's excuse must be sent.** Appropriate shoes and clothes should be worn to school for proper participation in P.E.

Cold Weather PE Policy: *When the outside temperature is below 32 degrees, students will be given the option of participating in outside activities or inside activities. If a parent does not want the student to have a choice, the parent must inform the teacher prior to PE. Please know that there will be times when the coaches do not offer a choice and PE is only offered indoors because of colder temperatures or wind chill factor. When coaches do offer PE activities during colder weather, they know that students will be active and moving during that 30 minutes which will result in more body heat being generated.*

## **Responsibility for Personal and School Property**

1. Students and parents will be held responsible for property willfully damaged or destroyed.
2. In an effort to keep the school facilities clean and operable, a student may be assigned cleaning tasks such as scraping chewing gum from floor, desks, or tables and picking up litter when school officials have determined the student has abused school property.
3. The school cannot be responsible for a student's personal or issued property that might be lost or taken on the school campus. A student's personal possessions should be labeled very plainly with name and/or other identification.  
**This is especially important for items of clothing.**

## **Telephone**

No students will be called to the office to receive telephone calls. In the event of an emergency, office personnel will make necessary calls. **Plans for after school need to be made prior to leaving home each morning.**

### **Flowers, Balloons and Gifts**

In order to maintain the integrity of the school instructional program, the delivery of flowers, gifts, balloons, etc. to students at school is prohibited by the Phenix City Board Policy.

### **Visitors to school**

Anyone not employed by the Phenix City Board of Education is considered a visitor. Parents and other school patrons are welcome to visit the school at appropriate times.

**All visitors are required to report first to the office and obtain a visitor's pass.**

The principal is responsible for protecting instructional time and the welfare of the students. Office personnel should be aware of the purpose of any visit.

### **Parent conferences**

If it is necessary to confer with your child's teacher, a conference should be scheduled. All visitors are expected to leave the building by 2:15 P.M. to ensure a safe and orderly dismissal of students from school.

### **Information through Email**

Parents are asked to provide teachers and the principal with email addresses. Hard copies of information from the teachers or the administration are sent home, but they may also be emailed to all parents who request email information. Weekly information letters will also be emailed to parents by the Dr. Elder.

### **Information on Demand**

Attendance, grades, and discipline entries may be accessed for every child at Lakewood. Parents will need the child's social security number and the child's Personal Identification Number (PIN). To retrieve information, log on to [www.pcboe.net](http://www.pcboe.net) and navigate through the Information on Demand (IOD) directions.

Personally identifiable records can be released either with prior parental consent or to an official with legitimate educational interest.

### **Homework**

Homework is assigned by the teachers as a means of reinforcement for the student. Every student is responsible for assignments and is expected to do them as directed. Assignments turned in late without teacher approval will receive a lower grade.

### Textbooks

State textbooks may be issued to students during the school year. The student is directly responsible for the books issued. A portion of the Alabama Textbook Law reads - "the parent, guardian, or other person having custody of a child to whom textbooks are issued shall be held liable for any loss, abuse, or damage in excess of that which would result from the normal use of such textbook. If such parents or guardian or person having custody of such child to whom the textbook was issued fails to pay such assessed damages within 30 days after notification, such student shall not be entitled to further use of such textbooks until remittance of the amount of loss or damage shall be made."

### Field Trips

Field trips that are educationally sound may be scheduled for certain students during the year. In such an event, children will normally have to pay for transportation and must have written permission from a parent before taking part in such a trip. All permission forms are due to the school office the day before the scheduled field trip. **Any student with excessive and/or serious disciplinary infractions or with excessive absences or tardies may be denied the privilege of participating in field trips, or may participate only if accompanied by a parent/guardian at the discretion of the teacher.**

2. Damaged books will be paid for according to the extent of the damage.
3. Lost books must be reported to the librarian at once. All lost books must be paid for if not found and returned. If a book is found with a school year after being paid for, the student will be refunded the amount paid.

### **Counseling Services**

A full time Guidance Counselor delivers services to large groups once per week, per class. Counseling services are also available for small groups, individuals, and parents.

In accordance with Phenix City Board of Education policy, this school will provide a free and appropriate public education to the following groups: homeless, migratory, neglected and delinquent students. This policy dictates that enrollment will be provided pending removal of any and all barriers to the same free and appropriate public education.

## **Child Find**

Child Find is a component of Individuals with Disabilities Education Act that requires states to identify, locate, and evaluate all children with disabilities, aged birth to 21, who are in need of early intervention or special education services.

## **Problem Solving Team (PST)**

This team is a designated school-based committee designed to meet the needs of general education at-risk students that is composed of regular education teachers, administrators, counselors, and others as needed. This committee addresses discipline, drop out, academic and behavioral student challenges. It also provides immediate support and progress monitoring when addressing classroom concerns.

## **Special Education - Individuals with Disabilities Education Act (IDEA)**

Students identified by school system personnel as qualifying for special education services receive those services in the least restrictive environment for the individual student. Services are primarily delivered through inclusion in the regular education classroom and/or the resource room as outlined in the students Individual Education Plan (IEP). A certified and highly qualified faculty member works closely with the student to deliver instruction. The special education teacher oversees the implementation of the IEP for students identified as being in need of special education services and is the primary contact for issues related to the student's IEP.

## **GIFTED REFERRALS**

Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student's abilities may refer a student. Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist.

For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services.

To make a referral, contact the principal, counselor, or Gifted Specialist at your child's school.

## **Section 504 of the Rehabilitation Act of 1973**

Section 504 is a national law that protects qualified individuals from discrimination based on their disability. The Phenix City Board of Education employs formalized procedures and guidelines to insure that our school district is in compliance. Section

504 protects persons with a physical or mental impairment which substantially limits one or more major life activity, including but not limited to, caring for one's self, walking, seeing, hearing, speaking, breathing, performing manual tasks, learning, communicating, concentrating and reading. Additional information, eligibility requirements, and a copy of the Section 504 guidelines may be obtained from the Phenix City Public Schools Special Education Department.

### **English Learner Program (EL)**

This program enables the student to participate effectively in the regular academic program.

### **Title IX (Equal Opportunity)**

Parents are guaranteed the right to inspect and review the educational records of their children. Personally identifiable records can be released either with prior parental consent or to an official with legitimate educational interest.

### **Notification Regarding Asbestos-Containing Material (Public Law 99-519)**

The United States Environmental Agency has established regulations regarding asbestos-containing materials in school buildings. These regulations (Public Law 99-519) require certain action to occur in response to any asbestos containing material found in our schools. The Phenix City Board of Education has had an asbestos management program in place for several years. The Phenix City Board of Education had a re-inspection performed at all of their facilities in compliance with these regulations, and an asbestos management plan was developed. The plan describes in detail how any asbestos will be minimized. Students, parents, teachers, and others are invited to review this plan available in the principal's or director's office. Should you have any questions or desire further information, please contact the principal.
